Dear Participant :

There is an invitation of a research survey about the development of the transformational leadership, a study being conducted in my writing course under the supervision of Tamara M. Chung Constant. In another word, I am looking for the employees' interest and the influence of satisfaction in leadership. That is, I tried to figure out how company improves employees' satisfaction and how do positive internal relationship impact a company.

This questionnaire will probably take you 10 minutes. In this survey, all questions needed to fill out, and no anticipated risks or discomforts related to this questionnaire. In the meantime, if anything in this research makes you feel stress, feel free to drop out the questionnaire without any risk.

This research suppose to makes you feel pleasant, and it is an opportunity to acknowledge the effects of leadership in companies. During participating in this research, there are also potential advantages which helping me to comprehensive the development of the transformational leadership.

This questionnaire did not have practical rewards. However, I will be grateful if you choose to take part in this study. While you choosing to take part in and then your mind was changed, you have the right to drop the study with any consequence. If you do this, your information will not be record, and you also have the right to destroy your information if you decided to quit.

You can contact me by e-mail given below, if you have any question about the study. If you feel uncomfortable about your information being analysis, or would like to speak to me, please connect with me by email(li.donghao@husky.neu.edu) without hesitate.
